Strandpaviljoen Brouw

The most beautiful dam in the Netherlands

The name Brouw is derived from the Brouwersdam. Known as “the most beautiful dam in the Netherlands,” it connects the islands of Goeree-Overflakkee and Schouwen-Duiveland, bringing together the best of the provinces South Holland and Zeeland. Our pavilion is located halfway along this dam, offering you the perfect place to immerse yourself in the tranquility of the vast natural surroundings.

Or take it literally, don't forget your swimwear! Looking for more action? Our beach pavilion is also home to Beware Beach, a popular destination for beach and water sports enthusiasts for years. Whether you're into (kite)surfing, stand-up paddleboarding (SUP), kite bugging, or land sailing, there's plenty of adventure to be found.

Diet? Not in the mood for fish or meat?

Of course, Brouw is here to help!

Sometimes, following a diet is necessary—whether it's due to an allergy, a medical condition, or a specific syndrome. Allergies, for example, are among the most underestimated health concerns.

That's why at Brouw, we take your dietary needs very seriously. We're happy to assist you! We have an allergen menu available, but feel free to discuss your preferences with our chef. Together, we'll focus on what you can eat, rather than what you can't.

Or perhaps you're vegetarian, or just not in the mood for fish or meat today? We offer delicious vegetarian dishes on our menu, and many of our meals can be adapted to suit your preferences.

However, during peak season, we'd appreciate it if you could let us know a day in advance.

Meetings at Brouw

Meetings at Brouw

Are you also someone who really dreads those endless meetings? after just a few minutes your mind starts to drift? You get annoyed by the never-ending digressions. And of course, those colleagues who just have to speak up so their names appear in the minutes. Then there's the setting, that stuffy meeting room with a view of nothing but a jungle of office blocks.

Why not try something different? Refresh yourself and your colleagues and leave that dull office meeting room behind! book one of brouw's meeting locations. A meeting with a view of the beach, with optional breaks for lunch, dinner, or outdoor activities, now that's effective teamwork.

Brouw Upstairs

The spacious, accessible meeting room is equipped with all modern conveniences such as audio, projection, and presentation facilities. A shared lunch, drinks, or even a barbecue can easily be arranged through the restaurant. Let the sea of ideas roll in!

Boardroom

Meetings are sometimes a necessary, unavoidable evil. but if it has to be done, why settle for a dull room with four walls and the feeling of being locked away in a completely uninspiring space for hours? Meetings shouldn't just be about passing on and commenting on information, they should also strengthen the connection with your company or with colleagues in your field.

The boardroom takes all of this into account. the interior is fresh, modern, and inspiring. The view is magnificent. The possibilities for use are endless. Combine time indoors with exciting beach activities, enjoy an excellent lunch or dinner, or relax afterwards with drinks and bites. In short: book the boardroom when you need a meeting with a fresh new style.
