strandpaviljoen brouw

MENU

WELCOME TO STRANDPAVILJOEN BROUW

The name Brouw is derived from the Brouwersdam, one of the most beautiful dams in the Netherlands. It connects the islands of Goeree-Overflakkee and Schouwen-Duiveland, bringing together the best of the provinces of Zuid-Holland and Zeeland.
Located halfway along the dam, our pavilion is surrounded by an expansive natural landscape where you can unwind and enjoy the tranquillity of the coast. Or take that literally and don't forget your swimwear!
Looking for a little more action? Beware Beach is also located at our beach pavilion and is a popular destination for beach and water sports, including (kite)surfing, stand-up paddleboarding (SUP), kite buggying and land sailing.

Brouw Garden

Vegetables from our own garden
Brouwtuin was created in Noordwelle (Schouwen-Duiveland). A vegetable garden with vegetables, herbs and flowers where the Brouw team can unwind after the hustle and bustle of the pavilion.
The simplicity of a good product is pure passion! You can taste this in our comfort food. That is precisely why Brouwtuin was created.

Welcome to

THE HEART OF THE DAM

Here, the tide sets the pace, not the clock.
In the most beautiful part of the Brouwersdam, four hearts beat as one.
At Brouw, the aroma of fresh coffee fills the air, and every dish celebrates fresh, honest ingredients. At Salt, you'll find everything you need for your next session. At the Kiteschool, you'll learn to fly above the water, while at Beware Beach, you can let loose on the sand.
iIndividually, they are four businesses. Together, they are the heart of the dam — a pl[illegible]re surfers, kiters, dreamers and pleasure seekers come together.
- Feet in the sand, wind in your hair.
- Come for the wind, stay for the feeling.
- Sand between your toes, salt on your skin.
- One stretch of the dam, four places to feel at home.

Welcome to The Heart of the Dam.
Where tides and tables come together.

Meeting at Brouw

Boardroom

Meetings are sometimes a necessary evil thing you simply can't avoid. But if you have to meet, why do it in a dull room with four walls?

Meetings should also help strengthen the connection with your company and fellow professionals. At the Boardroom, every detail has been carefully considered to make that happen.

The interior is fresh, modern and inspiring, while the views are simply stunning.

Combine your indoor meeting with exciting beach activities, enjoy an excellent lunch or dinner, or unwind afterwards with a drink and a bite to eat.

In short, reserve the Boardroom whenever you're looking for a meeting with style.

Brouw upstairs

Not everyone is a natural-born meeting enthusiast. That's why Brouw has created a second, inspiring meeting room upstairs, featuring beautiful views of the beach.

The spacious room is equipped with modern facilities, including audio-visual equipment, a projector and presentation facilities.

A shared lunch, drinks reception or even a barbecue can easily be arranged through our restaurant.

Let the sea of ideas begin!
